KOSUTH GOING.—It is stated that Kosuth will sail from Boston for Europe early in May; and that he expects a revolution to occur in Hungary in July. Wonder how much of the "material aid" he takes with him. We hope he will leave some of our intervention politicians a lock of his hair.

Spring.

Spring sweet Spring has come again,
And all is fresh and green,
Sorrow, and sorrow's consort pain
Are now no longer seen.

Spring thou calm'st my troubled heart,
For gladness seeks thy way,
The joys and pleasures thou impart
Continue on till May.

Spring is the season of the year,
Of birds and flowers wild,
The grass is green, the flowerets dear,
Man then becomes a child.

Spring how I love thy very name,
And all that's in thy train,
Remorse and anger, fear and shame
Are known no more again.

BY LAST NIGHT'S MAILS.

Now mail from Charleston. By the Carolina we learn that the Pacific had arrived. Cotton was in fair demand since the sailing of the Niagara; but the news brought out by the Canada had the effect of flattening prices, and made holders more anxious to realize. Consols closed steady at 97 1/2.

On the 17th the Pacific passed the Baltic. The Canada reached Liverpool on the 8th. France quiet. A fusion of the two branches of the Bourbon family is about being accomplished. The Swiss staff officers now on a visit to Paris have been ordered home forthwith, but the difficulties between France and Switzerland have been temporarily adjusted.

Three hundred more exiles have been sent to Algeria.

A serious conspiracy to overthrow the Austrian Government is on foot. Troops are moving, and every pass between Turkey and Austria is securely guarded.

In England nothing new has transpired. In France eagles were to be distributed to the army by Louis Napoleon on the 15th, and it was expected that he would be declared Emperor by acclamation.

Nothing new from Congress.

CAMDEN.

The Cotton Market remains unchanged. We continue our Friday's quotations—6 to 7 7/8.

Charleston quotations, 6 1/2 to 8 1/4.

THE NIGHTINGALE AND HER MATE GOING TO EUROPE.—The Boston Commonwealth learns that Mrs. Jenny Lind Goldschmidt and her husband contemplate sailing for Europe in May next. It is rumored that they intend to return to the United States and reside permanently at "Round Hill," Northampton.

AN EXPLORER.—Whilst two negro men were charging a soda fount for Messrs. Boatwright & Barkuloo, on Saturday last, the fountain burst with a loud report, tearing away a portion of the outbuilding in which they were at work. The negroes, from their position, fortunately escaped injury.—S. Car.

HEREDITARY INSANITY.—The Clinton Ct. Courant says that a singular and melancholy instance of this strange disease is furnished in the family history of Mr. Geo. Barrett, of Shilley, in that State, who committed suicide by hanging on Saturday, the 31st ult. The mother of the deceased terminated her existence in the same manner; a beloved sister, also, about ten years since, came to similar unhappy end; and on Saturday morning last, a younger brother was found dead in his bed, with his throat cut in a shocking manner—all four committing the rash act without any apparent cause.

VIRGINIA AND THE PRESIDENT.—The Virginia Convention, on Tuesday evening, adopted resolutions in favor of the Filibuster for the Presidency, and expressing the hope that the White National convention will present for their acceptance a candidate whose fidelity to the constitution and the measures of adjustment known as the "Compromise Measures," shall be beyond all question.

GOLD IN ABBEVILLE, S. C.—Mr. Dorn the owner of a gold mine in Abbeville District, informs the editor of the Banner that in two weeks he has realized the sum of ten thousand dollars and upwards from his operations with eight hands. The work of two days alone yielded him something over three thousand dollars. Independent of the gold, there is at this mine, says the Banner, inexhaustible quantities of manganese, which commands a ready sale in the Northern markets, and of itself would be a fortune.

SPECIAL EPISCOPAL CONVENTION.—The Episcopal Convention called by Bishop Doane to consider the recent action of Bishops Maude, Melvaine and Burgess, met at Burlington, New Jersey, on Wednesday. Bishop Doane delivered an opening address of more than an hour's length in which he narrated the circumstances under which he called the Convention.—Nothing further was done beyond the appointment of a committee to draft resolutions for the action of the convention.

DISCOVERY REWARDED.—The Committee of the House of Representatives, it is said, have decided upon awarding \$100,000 to Dr. Morton, of Boston, for his discovery of chloroform, thus settling his right to that discovery. Dr. Morton, it is also stated, has caused his competitor, Dr. Jackson, to be arrested in Washington for a libel, growing out of the controversy between them.

NEW POST OFFICE.—A new post office has been established at Donaldville, Abbeville District, and Samuel Donald appointed postmaster.—Carolinian.

GODEY'S LADY'S BOOK!

Literary and Pictorial.

The Book of the Nation and Arts Union of America.

THE LADY'S BOOK is now in the twenty-second year of its publication by the same publisher—a fact unprecedented in the history of any American Magazine. Nothing but real worth in a publication could be the cause of so prolonged an existence, especially in the literary world, where everything is so evanescent. Hundreds of Magazines have been started, and after a short life, have departed—while the "Lady's Book" alone stands triumphant, a proud monument reared by the Ladies of America as a testimony of their own worth.

Many persons, who seek no further than our title, presume that the "Lady's Book," is intended merely for the amusement of a class, and that it does not enter into the discussion of those more important questions connected with the realities and duties of life which every well-informed woman, mother and daughter, should be acquainted with. But such is not the fact. It is now, as it has ever been, our constant care to combine, in the page of the "Lady's Book," whatever is useful, whatever is elevating, whatever is pure, dignified, and virtuous in sentiment, with whatever may afford rational and innocent amusement.

GODEY'S SLENDER ENGRAVINGS ON STEEL. It is the fashion with many Magazines to announce in their advertisements, "Splendid Engravings, Plates" &c. what is the disappointment of the duped subscriber when he receives the numbers of a Magazine thus advertised, to find all his splendid engravings dwindled down to paltry wood cuts—as contemptible in design as in execution!

The publisher of the "Lady's Book" performs all he promises, and, as some of our exchanges are kind enough to say, "more than he promises." Each number of the "Lady's Book" contains at least three engravings from steel plates, engraved by the best artists, either in Line, Stipple, or Mezzotint, and sometimes Four.

GODEY'S RELIABLE FASHION PLATES.

are published monthly, and are considered the only really valuable fashion plates that are published. They have been the standard for over twenty-one years. In addition to the above, every month selections from the following are given, with simple directions that all may understand:

Undoubted Receipts, Model Cottages, Model Cottages Furniture, Patterns for Window Curtains, Music Crochet Work, Knitting, Netting Patching, Crochet Flower Work, Hair Braiding, Ribbon Work, Chemise work, Lace Collar Work, Children's and Infant's Clothes, Capes, Caps, Chemisettes—in fine, everything that can interest a Lady will find its appropriate place in her own Book.

Terms Cash in Advance, postage Paid, and no Derivation.

One copy, 1 year	\$3
One copy, 2 years	5
Five copies, 1 year	10
One copy, 5 years	10
Eight copies, 1 year	15
Ten copies, 1 year	20

and one copy extra for a year to the person sending the club of ten.

No old subscriber will be received into a club until all arrears are paid. Small notes of the different States are received at par for Godey's Lady's Book. Club subscribers will be sent to different towns.

Additions of one or more to clubs are received at club prices. Renewers your letters, when remitting, get your postmaster to write on the letter "Registered." The money will then come safely. Remember, we have no travelling agents now, and all money must be sent to and postmaster making the request.

We can always supply back numbers for the year, as the work is stereotyped.
